GRATITUDE TO KMM COLLEGE

I am one of the student in KMM COLLEGE, studied Mechanical Engineering during 2016 - 2020, reflecting my sincere gratitude to KMM COLLEGE management providng us conceptual knowledge on every subject. Not only that in addition to this we got good MNC Companies during our end semester. I got selected in best company (**DAIKIN**) and got a platform to expose and learn skills. Now we are going on our development skills and getting well settled within a year

Our sincere thanks to PAT OFFICER for giving a best platform for successfull future. Hope more upcoming generations in our beloved KMM COLLEGE will get settled and go through they goals in their future.
